

“Charter House is part of my family.”
~Mark M.

“Charter House is a place to share and to care.”
~Carol Mac

“I thrive here; it’s a place to be with people.
This is all our home.”
~James R.

Mission: Charter House is a community of acceptance that empowers members with mental health challenges to contribute their talents for collaboration, recovery, and growth.

WANT TO BE A CHARTER HOUSE MEMBER?

You must be 18 or older and have a history of mental illness.

If you are interested, contact your case manager for a referral or call Charter House.

Charter House is located on the CATA bus line.

Come by for a tour or call us and experience why we love it here!

Charter House is a place to *meet* new people, *build* working skills, and make *friends*.

Charter House is a safe place in our community where people with a mental illness or history of a mental illness can come during the day.

You can...

- **Feel accepted**
- **Make decisions together on issues that affect our community**
- **Build relationships with fellow members**
- **Work together toward a common goal**
- **Be valued for your unique strengths**
- **Learn new skills to be proud of**
- **Participate in evening, weekend, and holiday activities**

Work as a team in one of our units

Lower Level Unit includes kitchen, maintenance, and snack shop.

Upper Level Unit includes administrative, outreach, and finances.

The work-ordered day is important to us, because we learn to add structure to our day, build self-esteem, and learn to commit to and follow through.

Charter House also provides different wellness opportunities that benefit mental and physical well-being; such as meditation, exercise, great meals, and tutoring.

Do you want to work?

Charter House offers a Transitional Employment Program (TEP), which is a paid temporary position provided through Charter House. We provide on-the-job training, coaching, and any other skills needed.

Advocacy & Outreach

Charter House members have the opportunity to travel in and out of the state to attend Clubhouse conferences.
